

The ultimate corporate experience

“Our Chauffeurs have been personally selected to satisfy the extremely high standards required at White 7. White 7 is a member of The British Chauffeurs Guild and our Chauffeurs have attended specific courses arranged by them.”

Alan Bowyer, Managing Director White 7 UK Ltd.

“First impressions last. Often, they make the difference between winning a new contract, or not. Let White 7 Lincoln chauffeur you to your destination, quickly and efficiently so you are prepared and ready to do business. We trust you enjoy the ultimate corporate experience.”

Stephen Jones, Owner, White 7 Lincoln.

Seven reasons why White 7?

- **Confidential** A private working environment for discussing business or preparing for important appointments.
- **Convenient** To suit your diary and not governed by public transport timetables which are often amended without notice.
- **Efficient** A personalised ‘door to door’ service that avoids additional inefficient and unwanted travel connections ensuring you arrive at your destination on time and stress free.
- **Cost effective** In consideration of alternative forms of transport, the service is not expensive particularly if travelling with other business colleagues.
- **Comfort** The BMW 730 long wheel base has been specifically designed with all the luxury and equipment you require to include WiFi with integrated ipad, reading lights, drinks cooler and fully adjustable nappa leather seating so that you arrive suitably prepared for your appointment.
- **Security** Our Chauffeurs are all professionally qualified to ensure your safety and the car is equipped with a rear electric privacy blind should you require some seclusion.
- **Professional** The service of White 7 is second to none and has been created using only the best vehicles and Chauffeurs to meet the needs of the discerning client.

“Thank you White 7 for your professional and efficient service. Seamless and sublime luxury travel - the perfect journey.”
